400cc Off-road All-Terrain Vehicle

SNIPER T400U...

The Revaro Sniper T400U features 25 horsepower, 4 stroke single-cylinder 359.2cc engine. Monster performance and high-grade suspension provides widened stance which allows increased stability and absorb bumps allowing the driver better control. The T400U has a back bin at the back adds a level of utility that is unavailable to the other snipers. It has a more aggressive, sporty and attractive appearance and includes new features and improvements, such as the fully painted roll cage and frame, the solid front bumper, the adjustable seats, the led headlights and the new graphic design.
