A member of the REVARO® Group of Companies

Discover effortless mobility with the Eagle Club 2 Basic, a sleek and efficient two-seater electric cart from Revaro's Eagle range—perfect for estate paths, resort grounds, retirement communities, and more. Designed with practicality in mind, it delivers reliable performance without compromising on comfort or style.

Key Features & Benefits

- Efficient Electric Performance
    - Driven by a robust 48 V lithium-ion battery system, the Club 2 Basic offers improved range, quicker charging, and minimal upkeep compared to traditional battery setups.
- Modern Safety & Convenience
    - Equipped with electromagnetic brakes, you'll enjoy responsive and smooth stopping power.
- Clever Storage & Accessories
    - Thoughtful additions like storage compartments behind the seats, two sand bottles, a ball and water holder, a split windshield, and a built-in cooler box enhance functionality on the go.
- Stylish Customization Options
    - Tailor your ride with optional aluminum wheels for durability and aesthetic appeal, or add golf bag holders for convenience when heading out on the greens.
- Purpose-Built Design
    - The Club 2 Basic is part of Revaro's Eagle lineup—with models ranging from single to eight passengers—striking a balance between compact maneuverability and practical design.

Who It's For
Ideal for environments that need a small yet capable electric cart:

- Resorts or retirement communities seeking quiet, emission-free transport.
- Golf courses, campuses, or gated neighborhoods looking for convenient, low-maintenance carts.
- Event venues or estates requiring a reliable, functional cart for short-distance shuttling or touring.
